

Placement

GlobalEd Solutions provide access to our client portal to host schools. The portal will contain the pool of candidates and their information.

This featured service makes it extremely convenient for schools to select candidate and provides a more efficient hiring process.

A screenshot of the GlobalEd Solutions Customer Portal login page. The page features the GlobalEd logo in the top left corner. Below the logo, the text "GlobalEd Solutions Customer Portal" is displayed. There are two input fields: "Username" with a placeholder "Enter username" and "Password" with a lock icon. At the bottom left, there is a "Remember me" checkbox with the text "YES" next to it. At the bottom right, there is a blue "Login" button.

We will create job postings for the host schools listed in their career website in the client portal.

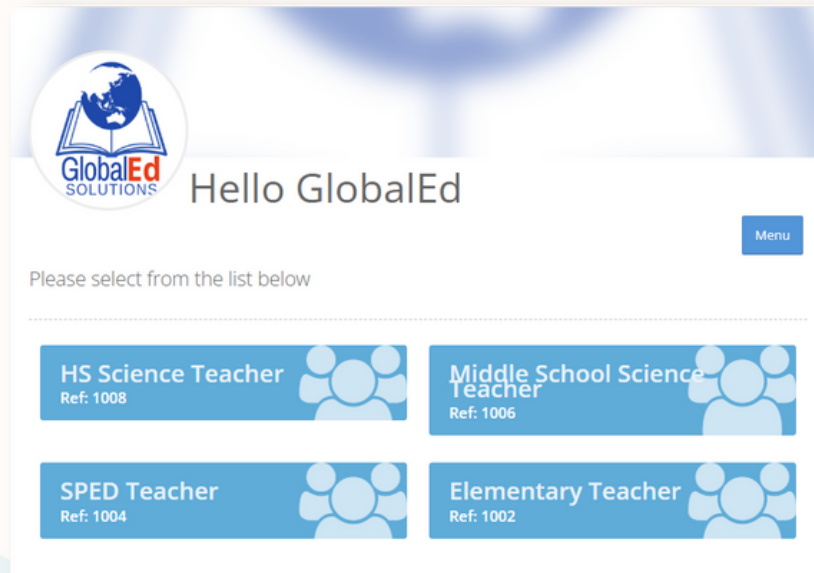

The candidates will then be assigned to these job postings according to their qualifications.

The hiring personnel will select candidates and invites them for interview.

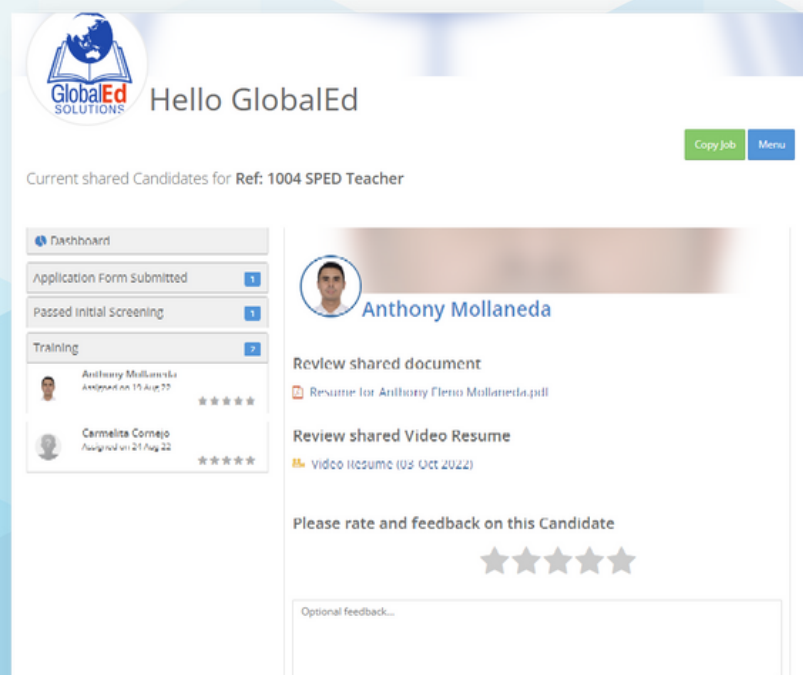

The candidates chosen will receive a job offer from the school.

Client Portal

The client portal will have the district logo by default and will show the list of vacancies pulled from the careers page.

Hiring personnel will have access to all qualified candidates in a specific posting. The portal will contain the candidates' portfolio including their video resume.

Video Resume

Part of building candidate profile with GlobalEd Solutions is to record a video resume.

Video resumes allow candidates to speak directly to your potential employers about what makes them uniquely qualified for the role.

The video resume contains a brief overview about the candidates as a teacher. It will also contain a brief overview about their education attainment, professional background, what makes them unique and why they want to teach in the US.

The screenshot displays the 'Review Interview' interface. On the left, a sidebar shows candidate information for Gilbert Valdez, including the role title, interview date (27 Aug 22 at 4:18 AM), and a 'My Overall Rating' section. Below this, a list of four interview questions is shown, each with a 'My Rating' option. The main area on the right features a video player showing a smiling man, with navigation controls below it. At the bottom right, there is a five-star rating system and a 'Comments' section with a text input field and an 'Ok' button.
