

Professional Development

This Professional Development trains teachers about the specific skills and knowledge they need to learn to shorten the adjustment period and help develop teacher confidence when they start teaching.

The trainings are facilitated by our highly experienced educators who are decorated in their individual field of education.

Professional Development Topics

- US Educational System and Teaching Expectations
- Data Driven Instruction
- Classroom Management
- Panel Mock Interview
- US Culture and Financial Management

US Culture

GlobalEd Solutions provides professional development training that will give candidates some awareness about living in the United States and teaching expectations in US public schools.

This includes expectations of immersing in cultural diversity, professionalism, work ethics, and breaking the language barriers. GlobalEd provides a Monthly Budget Sheet to hired teachers to help with managing their finances.

Below is the sample we provided to teachers

GLOBALED SOLUTIONS, LLC
770 E White Mountain Blvd., Pinetop-Lakeside, AZ 85935-2867
